Beat the Bell!

Good punctuality at school is essential for pupils to achieve their full educational potential. It is also vital for pupils to form good habits for later life.

We are continuing to see an increase in children arriving late to school. This is very disruptive to teaching and learning and is detrimental to settling classes at the beginning of the school day.

If you require support, please get in touch.

Traffic Management

Save the Date!

Our Christmas Market will be returning this year on the morning of **Friday, 1st December 2023!** Please Save the Date!

A number of stalls have already confirmed their space, providing a range of gift items. If you wish a stall, please contact Mrs McGhee.

Rookie Rockstars

A huge thank you to the many families who attended our Rookie Rockstars Concert on Monday 23rd October.

The children proudly presented the songs they had learned, allowing them to share the important messages of anti-bullying and kindness.

Health Promoting School

As a health promoting school, we would ask that you support us by providing your child with one healthy snack for playtime. We would also like to remind parents/carers that James Aiton Primary is a 'fizz-free zone'. No fizzy juice or energy drinks are permitted at school.

The children are encouraged to bring a bottle of plain water to school to hydrate them in class throughout the day.
