

### In Literacy, we are learning to...

- To apply or spelling strategies in our independent writing
- Recognise phonemes within words
- Read, write, and use our common words correctly
- Read aloud fluently with expression
- Answer comprehension question about our reading book
- Use capital letters and full stops correctly in our writing

### In maths, we are learning to ...

- Use directional language
- Use, North, South, East and West
- Learn and use number talk strategies
- Learn and use number bonds to 10 and 20
- Count forwards and backwards in 2s, 5s and 10s
- Read, write, and order numbers to 100
- Identify the values of a 2-digit number e.g.  $67 = 60 + 7$

### In IDL, we are learning to ...

- Recognise the different parts of a castle
- Discuss who lived and worked in Medieval Castles
- Name some Scottish Castles
- Create our own coat of arms
- Design and build our own castle using junk materials

### Wider Curriculum ...

- Fitness in Gym
- Daily Mile
- ICT, Google Classroom skills
- Learning Through Play

Miss MacPherson

Primary 3

Our Learning Journey in Term

Session 21/22

### Class Events ...

- PE every Monday and Wednesday, please make sure the children wear polo shirts and leggings/joggers to school.
- As the ever-changing Scottish weather moves into winter, please make sure the children come to school wearing a jacket so we can get outside as much as possible
