

In Literacy, we are learning to...

- To apply the spelling rules learned in class within our independent writing.
- To write a narrative story using our Talk 4 Writing story The King of the Fishes.
- Identify sounds in words and identify their phoneme families.
- To develop our comprehension of text using our reading strategies: metalinguistic, visualisation, summarising, prior knowledge, inference and main ideas.

In Maths, we are learning to ...

- Use and understand place value.
- Round numbers to the nearest 10,100 and 1000.
- Add and subtract using mental and written strategies.
- Identify properties of 2D and 3D shapes.
- Recognise and continue a number pattern.
- Read time on a 12 and 24 hour clock.
- Create, read and interpret a graph.
- Use our number talk strategies in addition

In IDL, we are learning to ...

- Understand our rights and responsibilities.
- Develop mapping skills by locating where Vikings attacked/where evidence has been found/where they came from.
- Compare how the Vikings lived to how we live now.
- Discuss how the Vikings shaped and influence our lives today through research and comparisons.

Wider Curriculum ...

- Guitar lessons
- All children take part in a committee meeting once a month.
- In French we are learning greetings, numbers and using a calendar.
- In ICT we are learning how to format a document and send an e-mail.
